Date: Tuesday, May 03, 2016 11:30:23 AM

Phil,
Yes I am available this afternoon or tomorrow; but, I would like to confer with John first.
Thanks,
Kathryn

Doug,
I see them now, thank you.
Kay is out this week, but I can talk with you. Kathryn McLeod is the Health AAG.
Kathryn, are you available?

Subject: RE: Objection clarification question

Phil,
In our response to the petition, we reference 2013 RTC # 50, 54 and 63 (see page 20 of the order) and 2014 RTC # 36 and 48 thru 58 (see page 21 of the order). The RTC noted on page 20 of the order (RTC # 54 thru 57) are duplicates with the 2014 responses listed on page 21.
Will you and your attorney be free to discuss the draft RTC later this afternoon or tomorrow with Julie Vergeront and me?

Subject: Objection clarification question

Importance: High

Doug,
I'm putting together the cross walk. I'm seeing reference to:
2014 petition, EPA refers to page 28
R2C 48
R2C 50

R2C 54

R2C 55

R2C 56

R2C 57

R2C 58

R2C 36

2013 petition, EPA refers to page 23

R2C 11

R2C 49

Do you have more that I'm not seeing?

Also, Mr. Green presented evidence as a basis for his request to Object based on NWP responses to another commenter (USDOE). Does Mr. Green have standing to request EPA to Object on other commenter's comments?
